Romiley Board Mill

Sheets & Layer Pads Product Range

All of our cores are made from 100% UK recycled board. The raw material is manufactured on site making us the most competitive in the industry.

We can advise on specification and stock holding saving you money, time and space.

Certificate No: 14695
ISO 9001 ISO 14001

Layer Pads

We are a key manufacturer of solid board (unlined chipboard) pallet layer pads.

- Choose with or without rounded corners
- Ideal for Can, Bottle and Glass makers throughout the UK, Europe, Middle East and Asia.

Cardboard Sheets

We are a specialist manufacturer of solid board sheets (unlined chipboard).

Supplied to sectors including:

- printing
- box making
- dairy, automotive
- food packaging
- building supplies
- stationers
- furniture manufacturers

Slip Sheets

Made to your specific specification from one of our 3 Re-cutting Lines with high Q/C systems in place.

- Our slip sheets are used in an endless range of products.
- Utilised predominantly as a pallet liner or layer divide
- cardboard slip sheets help secure product in transit and minimise potential damage.
